Award Description HPRP is focused on housing for homeless and at-risk households. It provides temporary financial assistance and housing relocation and stabilization services to individuals and families who are homeless or would be homeless but for this assistance. The funds under this program target two populations of persons facing housing instability: 1) individuals and families who are currently in housing but are at risk of becoming homeless and need temporary rent or utility assistance to prevent them from becoming homeless or assistance to move to another unit (prevention), and 2) individuals and families who are experiencing homelessness (residing in emergency or transitional shelters or on the street) and need temporary assistance in order to obtain housing and retain it (rapid re-

housing).
The desired outcome for program investments is that households receiving assistance achieve a greater level of housing stability upon exit from program services compared to their housing status when first enrolled in the program. Agencies monitor six-month housing stability outcomes and report on the number of households that have maintained housing after all assistance has ended. There are four categories of eligible activities for the HPRP program: financial assistance, housing relocation and stabilization services, data collection and evaluation, and administrative costs. These eligible activities are intentionally focused on housing, either financial assistance to help pay for housing, or services designed to keep people in housing or to find housing. HPRP assistance rapidly transitions program participants to stability, either through their own means or through public assistance, as appropriate. Assistance is focused on housing stabilization, linking program participants to community resources and mainstream benefits, and helping them develop a plan for preventing future housing instability.

The funds provide for: short-term (up to 3 months) or medium-term (4 to 6 months) rental assistance and housing relocation and stabilization services, including such activities as mediation, credit counseling, security or utility deposits, utility payments, moving cost assistance, and case management. Rapid Re-housing programs offer the same support but up to 12
